Urban Districts

MISSION STATEMENT

The mission of the Urban Districts (Bethesda, Silver Spring, and Wheaton) is to: ensure that each district is maintained in a clean, safe, and attractive manner; promote a strong sense of identity in each district; ensure that each district has adequate infrastructure and the enhanced services required by their higher levels of activity in order to foster a vibrant social and business climate; and ensure long-term economic viability and vitality.

BUDGET OVERVIEW

The total recommended FY09 Operating Budget for the Urban Districts is \$7,281,010, an increase of \$316,370 or 4.5 percent from the FY08 Approved Budget of \$6,964,640. These goals are accomplished through enhanced maintenance activities; sponsorship of community events, including festivals, concerts, and parades; the installation of seasonal banners, unique signs, holiday decorations, and other amenities to give each District a sense of place; and the development and distribution of newsletters, brochures, and other promotional material highlighting the Districts. Each Urban District develops its programs with the active participation of its advisory committee or Urban District Corporation.
